MASS INTENTIONS

I Believe in Jesus Christ, the Only Begotten Son of God

95. Why did Jesus choose the date of the Jewish feast of Passover for his death and Resurrection?

Jesus chose the Passover feast of his people Israel as a symbol for what was to happen through his death and Resurrection. As the people Israel were freed from slavery to Egypt, so Christ frees us from the slavery of sin and the power of death. [571-573]

The Passover was the feast celebrating the liberation of Israel from slavery in Egypt. Jesus went to Jerusalem in order to free us in an even deeper way. He celebrated the Paschal feast with his disciples. During this feast, he made himself the sacrificial Lamb. "For Christ, our Paschal Lamb, has been sacrificed" (1 Cor 5:7), so as to establish once and for all definitive reconciliation between God and mankind. 171

96. Why was a man of peace like Jesus condemned to death on a Cross?

Jesus posed a decisive question to his contemporaries: Either he was acting with divine authority, or else he was an impostor, a blasphemer, and a violator of the Law and who had to be called to account. [574-576]

In many respects Jesus was a unprecedented challenge to the traditional Judaism of his time. He forgave sins, which God alone can do; he acted as though the Sabbath law were not absolute; he was suspected of blasphemy and brought upon himself the accusation that he was a false prophet. All these were crimes punishable under the Law by death.

Mary, our loving mother teaches us to make our prayer an act of love for God and an act of fraternal charity. Let us extend this fraternal charity by being of service to the poor and hope for the troubled. Helping the poor, the unemployed, the under privileged helps the less fortunate replace a sense of despair with a sense of dignity. Your generous contribution every Sunday to the POOR BOX, is the HOPE to our less fortunate brethren. Please continue this good work.

THANKS FROM CARDINAL COLLINS

"I extend my gratitude to you and your parishioners for your generosity toward this year's ShareLife appeal. Your contributions allowed the ShareLife Campaign to exceed our goal and raise \$12,337 million, money which will be directed toward assisting the marginalized in our society. We are grateful for the generosity of our anonymous benefactor, who inspired many parishioners in the Archdiocese to make a new gift to ShareLife this year or to increase their previous contribution. This will help to create a larger impact for the work of our agencies moving forward. With our assistance, ShareLife agencies help people change their lives for the better. Our social services agencies experience many examples of recovery, transformation and transition on a daily basis".....

Sincerely,
Thomas Cardinal Collins, Archbishop of Toronto

Please take a moment to read the cardinal's letter and pray for the ongoing work of all those involved in this important process.
