## How We Celebrate the Mysteries of Christ

183. Why is there music at liturgies, and what kind of music it be to be suitable for liturgy?

**Where words are not enough to praise God, music comes to our aid. [1156 - 1158, 1191]**

When we turn to God, there is always something ineffable and unsaid left over. Then music can help out. In rejoicing, language becomes song - that is why the angels sing. Music in a worship service should make prayer more beautiful and more fervent, move more deeply the hearts of all in attendance and bring them closer to God, and prepare for God a feast of melody.

184. How does the liturgy affect time?

**In the liturgy time becomes time for God.**

Often we do not know what to do with our time - we look for a pastime. In the liturgy, time becomes quite dense, because every second is filled with meaning. When we celebrate the liturgy, we experience the fact that God has sanctified time and made every second a gateway into eternity.

## THE VALUE OF SUFFERING

When God permits suffering it is for our betterment.

If God causes you to suffer much, it is a sign that He has great designs for you, and that He certainly intend to make you a Saint. And if you wish to become a great Saint, entreat Him yourself to give you much opportunity for suffering; for there is no wood better to kindle the fire of holy love than the wood of the cross, which Christ used for His own sacrifice of boundless charity.

- St. Ignatius Loyola

## SYRIA - HUMANITARIAN RELIEF

Catholics around the world participated in a day of fasting and prayer for peace in Syria and the Middle East on Saturday at the request of Pope Francis, including close to 1000 people who joined Thomas Cardinal Collins for Mass and a special Holy Hour at St. Michael's Cathedral. Many more Canadians will take part in events this Saturday (September 14), as previously planned by the Canadian Conference of Catholic Bishops. Recognizing the significance of these initiatives, the Archdioceses of Toronto is accepting financial contribution to support humanitarian relief efforts in Syria and the Middle East.
