

FEAST OF THE MOST HOLY TRINITY

FROM: YOU CAT

Youth Catechism of the Catholic Church

The Ten Commandments

“You Shall Love Your Neighbour as Yourself”

The Fourth Commandment: Honour your father and your mother.

369. Why are families irreplaceable?

Every child is descended from one father and one mother and longs for the warmth and safety of a family so that he may grow up secure and happy. [2207 - 2208]

The family is the basic cell of human society. The values and principles that are lived out in the small circle of the family are what make solidarity in the life of larger society possible in the first place. 516

370. Why should the State protect and promote families?

The welfare and future of a State depend on the ability of the smallest unit within it, the family, to live and develop. [2209 - 2213, 2250]

No State has the right to intrude on the basic cell of society, the family, by its regulations or to question its right to exist. No State has the right to define the family differently, for the family's commission comes from the Creator. No State has the right to deprive the family of its fundamental functions, especially in the area of education. On the contrary, every State has the duty to support families with its assistance and to ensure that its material needs are met. 323

371. How does a child respect his parents?

A child respects and honors his parents by showing them love and gratitude. [2214 - 2220, 2251]

Children should be grateful to their parents in the first place because they received their life from the love of their parents. This gratitude establishes a lifelong relationship of love, respect, responsibility, and obedience, rightly understood. Especially in times of need, sickness, and old age, children should lovingly be there for their parents and care for them faithfully.

SHARELIFE

Working wonders for those in our community

“I searched the internet for “help young mother pregnant Mississauga” and I found Vita Centre. I was shocked to find out that there were complete strangers willing to help and guide young mothers to success. Even the resources that I have learned about from my counselor has saved me so much time and hassle, and has given me hope that things will get better no matter how tough it may feel.” shares Alyssa, who as a young mom, is now experiencing a brighter future, thanks to ShareLife-supported Vita Centre. Last year, over 6,300 young parents received the care, counseling and educational support they needed to care for themselves and their new families.

MONTH OF JUNE

is dedicated to the Sacred Heart of Jesus

ACT OF CONSECRATION TO THE SACRED HEART OF JESUS

O Sacred Heart of Jesus, to Thee I consecrate and offer up my person and my life, my actions, trials, and sufferings, that my entire being may henceforth only be employed in loving, honoring and glorifying Thee. This is my irrevocable will, to belong entirely to Thee, and to do all for Thy love, renouncing with my whole heart all that can displease Thee.

I take Thee, O Sacred Heart, for the sole object of my love, the protection of my life, the pledge of my salvation, the remedy of my frailty and inconstancy, the reparation for all the defects of my life, and my secure refuge at the hour of my death. Be Thou, O Most Merciful Heart, my justification before God Thy Father, and screen me from His anger which I have so justly merited. I fear all from my own weakness and malice, but placing my entire confidence in Thee, O Heart of Love, I hope all from Thine infinite Goodness. Annihilate in me all that can displease or resist Thee. Imprint Thy pure love so deeply in my heart that I may never forget Thee or be separated from Thee.

I beseech Thee, through Thine infinite Goodness, grant that my name be engraved upon Thy Heart, for in this I place all my happiness and all my glory, to live and to die as one of Thy devoted servants. AMEN
