## MASS INTENTIONS

### The Social Teaching of the Catholic Church

#### Together We are Strong - The Church's Social Mission

#### 22. Why does the Church have a social doctrine?

Human beings are profoundly social creatures. Both in heaven and on earth man is dependent on community. Back in the Old Testament, God gave his people humane regulations and commandments by which they could lead a life that is just and good. Human reason can distinguish unjust actions from the just deeds that are necessary to build a just social order. In Jesus we see that justice is fulfilled only in love. Our present-day notions of solidarity are inspired by Christian love of neighbour.

#### 23. What are the purposes of social doctrine?

Social doctrine has two purposes:

1. To set forth the requirements of just social action as they appear in the Gospel.
2. In the name of justice to denounce social, economic, or political actions and structures whenever they contradict the Gospel message.

The Christian faith has a clear concept of the dignity of man, and from this concept it derives certain principles, norms, and value judgments that make a free and just social order possible. As clear as the principles of social doctrine are, they still must be applied again and again to current social questions. In applying her social doctrine, the Church becomes the advocate of all people who for different reasons cannot raise their voices and not infrequently are the ones most affected by unjust actions and structures.

**SHARELIFE**

**Living the Gospel by helping youth to rebuild their lives .....**

Seventeen-year-old Emily arrived at Sancta Maria earlier this year having previously spent time at Whitby Shores. Her biggest surprise is the warmth and calm acceptance she feels here at her new "home". Having grown up in a home with no father, Emily spent a great deal of time in conflict with her mom, which caused a great deal of anxiety. She eventually ended up in a Toronto clinic at sixteen, and soon discovered that the lack of acceptance did nothing to build up her self-esteem. At Sancta Maria House, Emily has gained her independence and improved her confidence in cooking skills. As well, she has developed her job search skills, having applied for several positions with hopes to start a job soon. **ShareLife-supported Sancta Maria House has provided life-transforming services for young women in need for over 40 years in the Greater Toronto Area.**

The earth is full of the goodness of the Lord - Psalm 33.5

Our Christian vocation demands that we 'help' the poor, the hungry and the homeless. Just as Jesus taught and did, we need to welcome them, identify their needs and satisfy them.

When you drop a loonie or toonie in the POOR BOX each week, you support the efforts of the Society to serve the poor in our parish community .. **our neighbour-in-need.**

Thank You to all those who contributed to the Bundle-Up Weekend.

**There will be no Children's Program starting today Sunday June 25, 2017 until Sunday September 3, 2017. The program will resume Sunday September 10, 2017.**

**HUMANITARIAN RELIEF - FAMINE IN AFRICA**

The Archdiocese of Toronto joins the CCCB and faith communities across Canada in launching a joint appeal, entitled **Pray-Give-Speak Out**, in response to the desperate food crisis in South Sudan, Yemen, Nigeria and Somalia.

The United Nations has confirmed that South Sudan has 100,000 people living in famine conditions. Reports suggest a total of 20 million people are on the brink of starvation in the region. A declaration of famine has not been made by UN agencies since July 2011 when some 260,000 people died in Somalia - half of them children under the age of five. The world must not let those horrors be repeated.

The joint appeal aims to engage the faithful in three ways:

**Pray:** Keeping the people of South Sudan, Somalia, Nigeria and Yemen in our prayers.

**Give:** Making a financial contribution to support those affected by crisis.

**Speak Out:** Becoming better informed and to speak about the crisis with family, friends and neighbours. Contacting their local Members of Parliament about their concerns.

Those wishing to help may do so in the following way:

- Through the parish, making cheques payable to:

Name of Parish - African Famine - Humanitarian Relief

(Please use the Humanitarian Relief envelopes at the back of the Church.)

**2018 SYNOD OF BISHOPS:**

**YOUNG PEOPLE, THE FAITH AND VOCATIONAL DISCERNMENT**

In January of this year, Pope Francis called for a Synod of Bishops to take place in October 2018 on the topic of "Young People, the Faith, and Vocational Discernment". All dioceses, including the Archdiocese of Toronto, have been asked by the Holy Father to provide input which will be used to help draft the **Instrumentum Laboris**, the working paper for the Synod participants.

In order to provide the most accurate and valuable input to the Vatican, we are turning to the young people, and those who work with young people, throughout the Archdiocese of Toronto to gather your thoughts on this subject matter. Your participation in this project is greatly appreciated and we will take all of the input that we receive, collate it, and submit all of our findings to the Vatican.

For more information and how to complete the survey, please refer to: <http://www.ocytoronto.org/synod>

**What is the Synod of Bishops?**

The Synod of Bishops is a permanent institution established by Pope Paul VI on September 15, 1965 in response to the desire of the Fathers of the Second Vatican Council to keep alive the positive spirit engendered by the conciliar experience. A Synod is a religious meeting or assembly at which bishops, gathered around and with the Holy Father, interact with each other in order to share information and experiences in search of pastoral solutions which are valid and applicable universally. The word synod is rooted in the Greek "syn" meaning "together" and "hodos" meaning "road" or "way", so the word synod means "coming together". Please contact the Office of Catholic Youth at 416 599 7676 for any questions and assistance needed.
