230. What social problems does globalization bring with it?

Accelerated globalization does not mean, however, that all countries are equally developed and all people can benefit from its networking. Quite the contrary; problems like poverty, hunger, lack of education, poor health care, and human rights violations are still breaking news. Poorer countries are often extremely dependent on how much the better developed countries produce in them or buy from them. At the same time, the wages paid to workers in poor countries are often extremely low. For example, a seamstress in Bangladesh receives only two or three cents for a T-shirt that in the U.S. costs about five dollars. This gives rise to injustices that are often responsible for the fact “that many are deprived of fundamental human rights” (cf. Synod of Bishops, 1971, “Justice in the World”, 9). Globalization, therefore, not only has advantages but also aggravates many problems or even causes them in the first place.

231. Is globalization fate?

No, we should not think about globalization fatalistically. It is man-made and therefore can also be shaped by man according to moral standards.

NATIONAL CATHOLIC HEALTH CARE WEEK October 6 - 12

During this week, we give thanks for the courageous gift of Catholic health care. Whether it be in hospitals, community health centres, nursing homes, and long-term care homes, Catholic health care works to provide purpose-driven care with compassion and innovation. Each year, Catholic health care providers serve more than five million people in need. Every person who contributes to working in Catholic health care is living out the healing ministry of Jesus Christ and we give thanks for the thousand of physicians, nurses, employees, and volunteers who give of themselves to care for all in need.

Tel: 647 772 1319 www.svdptoronto.org

"Humility and Charity are the two master-chords: one, the lowest, the other, the highest; all the others are dependent on them. Therefore, it is necessary, above all, to maintain ourselves in these two virtues; for observe well that the preservation of the whole edifice depends on the foundation and the roof." - St. Vincent de Paul

We invite parishioners to stop by our SVP table where our members will be happy to explain the different activities we do for our neighbours in need.

Thanks for stopping by our POOR BOX to drop your contribution for the needy.

LIFE CHAIN

Life Chain will take place on Sunday, October 6th from 2 to 3 PM at the corner of Finch and Warden. While praying individually, we will hold signs such as: Abortion Kills Children. Please come out and support this good cause to help defend the unborn and to protect women from the harmful effects of abortion. This event is being coordinated by the Knights of Columbus of St. Aidan's and we will be joined by other parishes also.

Do you know *who* you've been helping through your gift to ShareLife? They are in our community - maybe sitting next to you in the pew. This past year, over 125,000 individuals have been supported by a ShareLife-funded program *you* made possible. This includes over 63,000 seniors, 9,500 children and youth, and 15,000 people with special needs. Follow ShareLifeCan on Facebook, Twitter and Instagram to discover all the ways, through your gift to St. Aidan's Parish Campaign, you have been living the Gospel by providing for those in need.

PUBLIC ROSARY

Each year, *Canada Needs Our Lady* holds the Public Square Rosary Crusade, with rosary rallies in cities all across the country.

Please join us in praying the Rosary on **Saturday October 12** after the 9am Mass outside St. Aidan's Church.

True charity consists of doing good to those who do us evil, and thus winning them over.
