**Income Tax Receipts**

Many parishioners have not picked up their income tax receipts. Please contact the parish office to do so. You can claim your donations for up to 5 years.

**Special Collection for Catholic Missions in**  
**Canada**

Envelopes for this special collection will be available this weekend and collected next weekend. Since we don't take up collections during Mass, you will need to place your offering in the large Offertory Box either on your way in to Mass or, if you forget, on your way out.

**Booking Masses**

You need to book a few months in advance since we have a lot of requests for Masses. So that one person's bookings don't fill up our calendar, you can only schedule one Mass intention per week. If you are really desperate, we can always add your intention to the Saturday evening Mass which has multiple intentions.

**Allergies or Sick?**

The Fall allergy season begins mid August. Please note that just because people are sneezing or even coughing does not necessarily mean they are sick. It could be allergies or just an occasional incident. If you are sick, please stay at home. If you are not sure, stay at home. It is also a good idea to check your temperature.

**Coughing or Sneezing**

Pulling down your mask, or removing it, in order to cough or sneeze into your hands defeats the purpose of wearing a mask. Either cough/sneeze into your mask, or into a clean handkerchief. If you are feeling unwell, you should stay at home. If you need to use a handkerchief or Kleenex, you need to wash and sanitize your hands immediately after.

**Email Scams**

To protect against email scams, please change your email password regularly. If you receive a suspicious email from someone you know or from someone who is requesting money, please contact them on a trusted phone number to ensure they actually sent the message. No one from the Archdiocese or a Parish will ask you for iTunes gift cards or similar things.
