# Archdiocese of Toronto

## ***Directives from the Archdiocese in light of increasing positive cases***

We can continue with Masses with **50% capacity**, which doesn't change our present capacity limits due to the need for social distancing. The Archdiocese is reminding everyone to maintain safety protocols: hand sanitization, social distancing and wearing a face mask. Meetings should be online and congregational singing is not allowed.

***For anyone who tests positive for Covid-19, Ontario has also changed the required isolation period based on growing evidence that generally healthy people with Covid-19 are most infectious in the two days before and three days after symptoms develop. "Individuals with Covid-19 who are vaccinated, as well as children under 12, will be required to isolate for five days following the onset of symptoms. Their household contacts are also required to isolate with them. These individuals can end isolation after five days if their symptoms are improved for at least 24 hours and all public health and safety measures, such as masking and physical distancing, are followed. Non-household contacts are required to self-monitor for ten days. Individuals who are unvaccinated, partially vaccinated or immunocompromised will be required to isolate for 10 days."***

Those feeling even slightly unwell should not attend Mass at this time. Parishioners should avoid congregating in large groups before or after Mass.

## ***Alpha Film Series***

We are all so busy we can easily neglect the most important things in our lives; our loved ones and our relationship with God. The Alpha program is a wonderful opportunity to discuss the most essential aspects of our faith, while making connections and building community at the same time. How well can you explain the faith to others? How much has your faith changed your life? How much has your faith impacted the lives of others? Alpha can benefit you in each of these areas. We are hoping you will consider participating or helping us facilitate online conversations with participants. This is a wonderful opportunity to be more active and vocal about your faith. Please consider joining us. **There will be 11 sessions, on Wednesday evenings at 7 pm, from January 19 to March 30. Please see our website for more info and to sign up.**

## Pre-Authorized Giving

The Archdiocese of Toronto has established a **Pre-Authorized Giving** plan (**PAG**) to assist you in your support of the work of the parish through your regular parish offerings. To accomplish the mission entrusted to us by Christ, the parishes depend entirely on the generosity of their parishioners. **Pre-authorized giving** allows you to give to your parish through scheduled monthly transfers from your bank account or credit card. These funds are then deposited directly to the parish account. There are various benefits of participating in pre-authorized giving, both for you and for your parish.

### Advantages for you:

- ✓ The convenience of having your offering automatically contributed to the parish.
- ✓ Knowing you continue to support the parish even when you are away.
- ✓ Continual support of ministries and programs funded through the parish.

### Advantages for the Parish:

- ✓ Regular, dependable contributions to the parish.
- ✓ Reduction of cash on hand.
- ✓ Reduction of paperwork.

For information on how to enroll, please contact your parish office or email [development@archtoronto.org](mailto:development@archtoronto.org)
