Fall in love with true virtue: its effect is the opposite of
that of vice, because sin brings bitterness while virtue
brings sweetness and even in this life a foretaste of the
next. When the hour of death comes, the virtue we
have lived answers for us and shields us from God's
judgment. - St. Catherine of Siena

Let us, therefore, have charity and humility and give alms because it washes the stains of our sins from our clothes. For, although people lose everything they leave behind in this world, they, nevertheless, carry with them the rewards of charity and the alms they have given for which they will receive a reward and a fitting repayment from the Lord. - St. Francis of Assisi
